Message from the President:

Well, another year has passed and there were a lot of changes, but we made it through! Most of us on the executive are new to the game at the guild and I thank everyone for persevering with us. There were a few unfortunate experiences this year but I'm confident we can rise up and become a stronger group. I thank Sheryl and John for letting us use the facilities of KawarthaFest when no other meeting places could be found. It may have been a touch small but at least we had a place to gather. Our planning group has created a great schedule for next year and I want to thank them for all their hard work. I think we are all looking forward to the new facilities at Canterbury Gardens this fall. The entrance is off Glenforest Boulevard under the large overhang.

I wish everyone a relaxing and enjoyable summer and hope to see everyone in the fall.

Happy knitting and crocheting!
Hanna Dracup, President
