### Message from the President:

Dear Guild members;

Two years ago when I accepted the position of president, I was kind of nervous and didn't know what I was getting myself into, especially working full time.

It has been a wonderful experience though and the time has flown by. I had a lot of help from our executive and everyone has been very kind.

We have a beautiful facility to use for our meetings and the planning committee has done a superb job with the scheduling this past year and for the year to come!

I know Elaine will be a great president as she takes the reins next fall. Have a safe, relaxing and enjoyable summer with family and friends and I hope to see everyone back in the fall. If you meet someone who has an interest in knitting or crocheting please invite them to check us out and hopefully join our guild!

Happy

and

Hanna Dracup, President
